

# 1 Minute Guide to the

# North Yorkshire Safeguarding Adults Board

## We are working together to deliver our 2019/2020 Priorities

### What this means for the people of North Yorkshire

**Empowerment** "I am asked what I want as the outcomes from the safeguarding process and these directly inform what happens".

**Prevention** "I receive clear and simple information about what is abuse, how to recognise the signs and what I can do to seek help".

**Protection** "I get help and support to report abuse. I get help to take part in the safeguarding process to the extent to which I want and to which I am able".

**Proportionality** "I am sure that the professionals will work for my best interests, as I see them and will only get involved as much as needed".

**Partnership** "I know that staff treat any personal and sensitive information in confidence, only sharing what is helpful and necessary. I am confident that professionals will work together to get the best result for me".

**Accountability** "I understand the role of everyone involved in my life".
